was Enlightening!**

WHERE WILL THE ONE YOUNG INDIA SUMMER SYMPOSIUM TAKE YOU?

The One Young India Summer Symposium is more than just a conference—it's a gateway to leadership, innovation, and personal growth. This three-day experience challenges high school students to develop critical leadership skills, tackle real-world issues, and collaborate on impactful capstone projects.

Whether you're looking to sharpen your problem-solving abilities, build lifelong connections, or gain hands-on experience in leadership and project execution, this symposium provides the perfect platform to elevate your potential.

Who Can Apply?

Students in grades 8-12 (minimum age: 13 years)

How to Register?

- Step 1: Complete the online registration form
- Step 2: Receive a confirmation email with further details
- Step 3: Pay the fee to Secure Your Seat

Seize this opportunity to learn, lead, and create impact!
